

CERA Conference Accommodations

We are very pleased to announce that the 88th Annual CERA Conference has been relocated to the Sir Francis Drake Hotel.

A mixture of timeless elegance and high style, this landmark San Francisco hotel offers historical and stylish accommodations in the heart of Union Square.

Guests at the Sir Francis Drake will find the thriving

cultural center for which San Francisco is so well known – artists, theatres, restaurants, galleries, and music – right outside the front door. They'll also find Tom Sweeney, the legendary doorman and San Francisco icon who has welcomed guests there for over 30 years.

We are also pleased to announce that the President's Reception will be held at the famous and fabulous Starlight Room! The Starlight offers a 360° view of downtown and is known as one of San Francisco's best nightclubs. You won't want to miss this view—join us for appetizers on Wednesday evening from 5:30 to 7:30!
